What is VET4WB project about

The “VET for Western Balkans” project aims to contribute to the improvement and modernization of VET systems in four partner countries in the Western Balkans: Albania, Bosnia and Herzegovina, Montenegro and Kosovo, and reinforcement of the links between VET and labour market.

Bringing EU and Balkans together

Target Group

- Students, teachers/trainers and managers from the four Balkan VET schools involved in the project
- Other VET providers in the countries concerned
- Businesses (especially local and regional), business organizations, primary schools, their pupils, and parents, and relevant ministries in the countries concerned

Expected Results

Project Activities

Mobilities, trainings, meetings, events, campaigns, establishment of joint task forces, curriculum development, new strategies, action plans, introduction of new VET programs, development of pedagogy and didactics, development of material etc.

Expected Outcome

- Exchange programmes between Erasmus+ Programme Countries and the Western Balkans
- New knowledge and improved technical and pedagogical skills among VET teachers
- New managerial perspectives and knowledge at VET schools
- Enhanced transversal, generic and subject specific skills among learner

Meet the Partners
